

A Action C Changes T Things!

Missouri Right to Life “Show Me Life” Pro-Life Action Day

Tuesday, April 5, 2016

(registration begins at 10:00 a.m.)

Missouri State Capitol ~ 1st Floor Rotunda

Guest Speaker Abby Johnson

Her testimony is inspirational!

Abby Johnson has always been determined to help women in need. That’s what led her to a career with Planned Parenthood -- and caused her to flee the organization and become an outspoken advocate for the pro-life movement.

Now Abby travels across the globe sharing her story, educating the public, advocating for the unborn, and reaching out to abortion clinic staff who still work in the industry. She is the founder of “And Then There Were None,” a ministry designed to assist abortion clinic workers out of the industry.

Your pro-life legislators are making every effort to ACT to save innocent human lives.

We need you to ACT!

- Come to Jefferson City for Pro-Life Action Day to encourage your legislators to pass pro-life legislation.
- Registration begins at 10:00 a.m.

Priority Legislation

- Tighten abortion clinic inspection statute to require at least one annual on-site inspection of abortion facilities and require an accounting report for the disposition of all tissue from aborted babies.
- “Whistleblower” protection for abortion clinic employees.
- Redirect federal funding of family-planning dollars to federally qualified health centers and state rural health agencies for expanded health care for women.
