LEGISLATION SAVES LIVES

The Missouri General Assembly has passed over 45 pro-life laws since the 1973 Roe v. Wade U. S. Supreme Court decision. Missouri Right to Life has been a leader in writing, lobbying, and passing these pro-life statutes. Through Missouri Right to Life Political Action Committee, pro-life voters have been informed and have consistently elected bipartisan pro-life majorities which make these life-saving legislative successes possible.

Among the pro-life laws in Missouri statute are those that require: ♦ only physicians perform abortions ♦ hospital privileges required for abortionists ♦ parental consent before minor's abortion ♦ ban public funding of abortion ♦ ban partial-birth abortion ♦ 72-hour reflection period before an abortion ♦ tax credits for pregnancy resource centers and maternity homes ♦ establishment of Alternatives to Abortion program ♦ Safe Place for Newborns Act ♦ ban abortion of viable infants ♦ ban web-cam abortions.
