

TESTIMONY OF MISSOURI RIGHT TO LIFE IN SUPPORT OF HB 1385

February 8, 2012

HB 1385 is simply an accounting bill that makes public the amount of federal taxpayer dollars that are being received by organizations that profit from performing abortions. This information will be filed with the Director of the Department of Health and Senior Services and will be open to the taxpayers. Nothing in this bill requires the release of identity or privacy of any public persons, it is simply an accounting bill of our federal tax dollars.

Missouri Right to Life supports HB 1385 and encourages the committee to do pass this transparency act.
