

In memory of over 58 million unborn babies who have lost their lives and the women who have been hurt by abortion, we mourn the January 22, 1973, U. S. Supreme Court decisions that gave the United States abortion-on-demand for any and all reasons for the full nine months of pregnancy. We look forward to the day when our nation will again recognize and celebrate the sanctity of life for all innocent human beings.

*Every child, like the rose, is an autograph
from the hand of God.*

*The rose's beauty and perfection is evidenced while
still just a tiny bud*

*Which gradually matures to be the most beautiful
of all flowers.*

*Every human being was once a tiny
bud, unseen, but nevertheless the
wondrous work of God.*
