

**TESTIMONY OF MISSOURI RIGHT TO LIFE
IN SUPPORT OF HB 1132
Before the Senate Jobs, Economic Development
and Local Government Committee
April 9, 2014**

Missouri Right to Life strongly supports the tax credits for Pregnancy Resource Centers and Maternity Homes. The tax credits allow an opportunity for the PRC's and Maternity Homes to offer alternatives to having an abortion to women who find themselves in a crisis situation while pregnant.

Missouri Right to Life encourages this committee to extend and increase the opportunity for Pregnancy Resource Centers and Maternity Homes to receive these tax credits in order to help women in crisis pregnancies.
