MEMORANDUM

TO: Honorable Members of the Missouri General Assembly

FROM: Gerard Nieters, Legislative Director
Pam Fichter, President

DATE: June 29, 2010

RE: **HCS HB 2 - The "Manufacturing Jobs Act"**

As you begin floor debate in special session on "The Manufacturing Jobs Act", Missouri Right to Life has reviewed the language of HCS HB 2, LR #6003L.04C and as stated in our last memo of June 28th we said we would keep you updated on MRL's position on the bill as we become aware of changes/amendments to the language.

We thank the House Jobs Committee for maintaining restrictions in the HCS HB 2 (LR #6003L.04C) to assure that tax incentives do not go for life-destroying research. We hope that all legislators will work to maintain these restrictions.

Once again we state that Missouri Right to Life is neutral on the language of the HCS HB 2 - LR #6003L.04C version of the "Manufacturing Jobs Act." MRL will continue to review any amended versions of the bill as they become known to us.
