Featured Speaker ~ Jill Alberti

Jill will tell of her joy of being adopted. She will share her enthusiasm for life and her gratitude to her birth parents for choosing life. She will tell us how God is working in her life as a wife, mother, and professional in the field of marketing. Jill is grateful for every opportunity to share her story.

In addition to Jill, Susan Klein, Executive Director of Missouri Right Life, will give us an update on legislation and the positive pro-life actions that are taking place in our state.

This dinner serves as a major fundraiser for the Randolph County Chapter of Missouri Right to Life. Net proceeds will help us to educate the public on the sanctity of life in all its stages and support our work to make Missouri an abortion-free state.

Missouri Right to Life (MRL) is our state's oldest and largest grassroots pro-life organization. Organized in 1974 in response to the outcry over the legalization of abortion in the U.S., Missouri Right to Life works to:

- Educate citizens about pro-life issues;
- Pass legislation that promotes and defends the sanctity of innocent human life from the inception of biological development through natural death;
- Organize and promote effective witness among its members across the state. Maintain a Political Action Committee dedicated to electing those who share our mission and will work to pass pro-life laws.
