

## WHY WE MARCH

- We come together with hundreds of thousands of pro-life people from across the U.S. and from other countries to give thanks that the Supreme Court, in the Dobbs decision, has overturned the abhorrent Roe v Wade ruling. We join Jeanne Mancini, the President of March for Life, in knowing we must now pursue ".....a much deeper and harder and loftier goal to make abortion unthinkable." We are prayerful, thankful, and determined to change hearts and minds.
- We go to Washington, D.C. to meet with and tell our Federally elected officials from Missouri that abortion is wrong and that taxpayers should not have to pay for other people's abortions.
