**CONGRATULATIONS TO PRO-LIFE MISSOURIANS AND PRO-LIFE
CANDIDATES YOU TURNED OUT TO BE A VOICE FOR LIFE!**

November General election results gives pro-life Missourians and Americans some good news, some bad news and much to pray about in the weeks ahead.

Pro-life Missourians have much to celebrate and be thankful for! We maintained our pro-life majorities in the Missouri House, Senate and U.S. Congress. We also kept our U.S. Senate seat pro-life with a major win by U.S. Senate-elect Eric Schmitt. In addition, two open Congressional seats were won by pro-life Republicans, Eric Burlison in the 7th Congressional District and Mark Alford in the 4th Congressional District.

Another pro-life victory for Missouri is that all 6 Statewide offices will now be held by pro-life officials! Scott Fitzpatrick will be the new Missouri Auditor. Missouri is truly a pro-life state and we thank all pro-life voters for turning out on election day! You are the voice for those who have no voice, and we are thankful for your commitment to protecting innocent human lives!

Please pray for our nation as the outcome of control of our nation is still undecided. Pray for the states who fought hard constitutional battles. Pray for Missouri and Missouri Right to Life as we prepare for the battles ahead. We will keep you apprised of the status of our elections as we do a complete analysis of the results of the elections in the days and weeks to come.
