**TO:** Honorable Members of the Missouri General Assembly

**FROM:** Steve Rupp, President  
Ed Grewach, Legislative Director  
Susan Klein, Executive Director

**DATE:** April 9, 2024

**SUBJECT:** Missouri Right to Life's Position on the Federal Reimbursement Allowance (FRA)

Planned Parenthood has been documented in video to be breaking Missouri laws by taking minors across state lines and undermining parental rights. They should not be supported with Missouri tax dollars. Because HB 2634, defunding abortion providers and their affiliates, only passed the House with 104 votes, Missouri Right to Life asks you to pass HB 2634 through the Senate, and that it be signed by the Governor before the FRA passes. Because the pro-life language was not added to the FRA in 2021, pro-life Missouri tax payers have been supporting an organization that destroys innocent pre-born babies, harms minors and parents in their total disregard for Missouri law.
